^ 懷孕期保費適用於由保單生效日起至首個續保日。其後的保費將根據受保兒童的年齡收取，即受保兒童上次生日時的已屆年齡。

^ The premium for the gestational period remains in effect from the policy effective date until the first renewal date. Thereafter, the premium will be charged based on the age of the insured child, which is the insured child's age as of his or her last birthday.

# 年齡指受保兒童上次生日時的已屆年齡。

# Age refers to the attained age of the Insured child as of his or her last birthday.

此標準保費表並未包括由保險業監管局徵收的保費徵費。

This Standard Premium schedule does not include the premium levy which is collected by Insurance Authority.
