Chapter 1: What your Plan is

Part 1: Summary

This part summarizes the nature and key features of your Plan. Your coverage is subject to the other Plan Terms and Conditions set out in the rest of this document.

1.1 Your cover in brief

1.1.1 Who is covered

This Plan covers the Insured Person named in the **Policy Schedule**. It is important that you keep the information you have with us up-to-date, especially if you and/or the Insured Person have/has important life events such as relocating outside of Hong Kong or changing occupation.

As long as you pay your premiums and abide by the Plan Terms and Conditions, you will receive the insurance outlined in this agreement. The policy is effective from the Policy Effective Date until the moment you or we cancel it (see Sections 6.5, 6.6 and 7.7 respectively) or it is terminated (see Section 7.6).

1.1.2 What is covered

We cover you for medical expenses caused by Accidents. These include:

- Staying in a hospital and receiving treatment (i.e. as an Inpatient) or undergoing surgical procedures in a clinic or day case procedure center (i.e. as a Day Patient) - see Section 2.2;
- Seeing a general practitioner or Specialist in a clinic as an Outpatient - see Section 2.3; and
- Seeing a physiotherapist, chiropractor and Chinese Bonesetters (as an Outpatient) - see Section 2.4.

These are explained in more detail in Part 2. It is also important that you understand the conditions under which you may not be covered, and this is explained in Part 3.

Your policy covers you worldwide, except for psychiatric treatments (your policy only covers psychiatric treatments performed in Hong Kong).

1.1.3 How much is covered

We provide coverage up to certain dollar amounts for each category of expense. These amounts, often known as benefit limits, are generally applied on either a “per visit”, “per Policy Year”, “per surgery” or “per day” basis. There may also be a limit to the number of visits each Policy Year.

There is also a total benefit limit for each Policy Year.

The actual dollar amounts and limits are specified in your Benefit Summary (see Section 1.2).

Chapter 2: What makes this a valid and legal agreement between you and Bowtie

Part 5: What you need to do to keep this agreement valid

This part sets out the responsibilities you have as the owner of this Plan, including what you must do if there are changes in your residency and occupation, and what happens if you do not do what is required.

5.1 What information we rely on from you

5.1.1 We rely on the information you provided in the Application in deciding whether or not to accept the Application. We also rely on that information to decide whether or not to apply Case-based Exclusion(s) and/or Premium Loading to this Plan. We will treat all statements made in the Application to be representations and not warranties.

5.1.2 If the Application omits facts or contains materially incorrect or incomplete facts, we may declare this Plan void from the Policy Effective Date. If this happens, our liability under this Plan will be limited to returning the premiums paid without interest. We may recover any benefit previously paid to you.

5.1.3 If your premiums are based on incorrect or incomplete information and we later have to change the premiums based on the correct and complete information, we will collect (or refund) the difference, and this may include imposing Case-based Exclusion(s) and/or Premium Loading on this Plan. Such changes shall apply from the Policy Effective Date retrospectively.

5.2 What information we rely on from you

5.2.1 If the Insured Person's Age and/or sex is misstated in the Application, the amount payable by us under this Plan will be adjusted on the basis of the correct Age and sex. The amount payable will be adjusted at the time we make any payment under this Plan:

- (a) Where a higher premium would have applied, we will reduce the benefit payable based on what the premiums paid would have provided at the Insured Person's correct Age and sex.
- (b) Where a lower premium would have applied, we will refund any surplus premium paid without interest.
- (c) Where the Insured Person would not have satisfied our insurability requirements on the basis of the correct Age and sex, we may declare this Plan void from the Policy Effective Date. If this happens, our liability under this Plan will be limited to returning the premiums paid without interest. We may recover any benefit previously paid to you.

5.2.2 We may require proof of the Insured Person's Age to our satisfaction at the time of processing the Application and any claim or payment of any benefit under this Plan at your cost.

5.3 Premium payment, default and grace period

5.3.1 While the Insured Person is alive, all premiums are payable to us on or before their due dates.

5.3.2 After payment of the first premium, failure to pay a subsequent premium on or before its due date constitutes a default in premium payment.

5.3.3 We allow a grace period of thirty-one (31) days after the premium due date for payment of each premium. This Plan will continue to be in effect during the grace period, but no benefits shall be payable unless the premium is paid. If the premium is still unpaid in full at the expiration of the grace period, this Plan shall be terminated immediately on the date on which the unpaid premium is first due.

5.4 Change of residency

5.4.1 The Insured Person must inform us within thirty (30) days of a change of residency to a city/country outside of Hong Kong, that is proposed to last permanently or for 183 consecutive days or more.

5.4.2 Upon notification, we will terminate the policy immediately and will refund premium(s) paid for the period in which no cover will be in place without interest.

5.4.3 If the Insured Person fails to notify us of a residency change and subsequently makes a claim, no benefit will be payable.

5.5 Change of occupation

5.5.1 The Insured Person must immediately notify us of any change in his/her occupation, duties or other pursuits.

5.5.2 If the Insured Person incurs Eligible Expenses or dies:

- (a) after having changed his/her occupation, or
- (b) while doing for compensation anything pertaining to an occupation,

and the occupation noted in (a) or (b) above is one which, in our opinion, falls under any of the categories in (i), (ii) or (iii) below, then the consequences set out in the respective category applies:

- (i) more hazardous than that stated in the Application or any endorsement: you pay the premium rate accordingly from the date of change of occupation for such more hazardous occupation;
- (ii) less hazardous than that stated in the Application or any endorsement: we, upon receipt of proof of such change of occupation, reduce the premium rate accordingly from the date of change of occupation or from Plan Monthiversary immediately preceding receipt of such proof, whichever is later;
- (iii) not insurable: we are not liable to pay any benefits for any Eligible Expenses or death pertaining to that occupation.

Part 6: What changes you can make to this Plan

6.2 How to change ownership of the Plan

6.2.1 You may request transfer of the ownership of this Plan by notifying us. Approval of such request is entirely at our discretion.

6.2.2 Any change of ownership shall not be effective until we have approved it and notified you and the transferee of the approval in electronic or written form.

6.2.3 If the Policy Holder dies, the ownership of this Plan shall be transferred to the administrator or executor of the estate of the Policy Holder.

6.2.4 The transfer of ownership of this Plan:

- (a) in accordance with Section 6.2.1 above shall be conditional upon our receipt of the proposed transferee's consent to be bound by the Plan Terms and Conditions; and
- (b) in accordance with Section 6.2.3 above shall be conditional upon our receipt of satisfactory evidence of your death and the proposed transferee's consent to be bound by the Plan Terms and Conditions.

6.2.5 From the effective date of the change of ownership, the transferee will become the Policy Holder, and will be subject to all the Plan Terms and Conditions. The transferee will become the absolute owner of this Plan and be responsible for the payment of premiums, including any outstanding premiums.

6.3 Whom we make payment of benefits to

6.3.1 During the lifetime of the Insured Person, all benefits (except death benefits) payable under this Plan will be paid to you if you are alive, or otherwise to your estate.

6.3.2 If the Insured Person dies, then any death benefit payable under this Plan will be paid to the Beneficiary (unless otherwise provided under applicable law). If no Beneficiary survives the Insured Person, then the death benefit and all other benefits (if any) will be paid to you if you are alive, or otherwise to your estate.
